Linking Community and Landscape Resilience

10:30 am - 1:00 pm | Friday 12 October 2012
Community Palli, HITEX 1, Side Event Room 1

United Nations Development Programme (UNDP) and the International Partnership for the Satoyama Initiative (IPSI) invite you to a side event on building social and landscape resilience. Speakers from civil society organizations, government institutions, the private sector, and international organizations will discuss lessons learned related to building local institutions and social capital toward more inclusive and participatory decision-making processes at the landscape level, and the social aspects of building and maintaining socio-ecological production landscapes and seascapes.

Co-Moderators

Wataru Suzuki, Deputy Director, IPSI Secretariat, UNU-IAS

Fumiko Fukuoka, Senior Technical Advisor, Community Resilience and Sustainability, UNDP

Introductory Remarks

Prof. Alfred Oteng Yeboah, Ghana National Biodiversity Committee, Ghana

Discussant

Dr. Pablo Eyzaguirre, Bioversity International

Presenters

- Ms. Florence Daguitan, Indigenous Peoples' International Center for Policy Research and Education (TEBTEBBA), Philippines
- Ms. Noëlie Ouedraogo, Association Songtaab-Yalgré, Burkina Faso
- Mr. Prabhjot Sodhi, National Coordinator, GEF-Small Grants Programme, India
- Ms. Vore Gana Seck, Green Senegal, Senegal
- Mr. Cliff Marlessy, Community-based Marine Management Foundation, Indonesia
- Ms. Akane Minohara, United National University Institute for Advanced Studies (UNU-IAS)
